

Dear Parent/Guardian,

The Parent Handbook is utilized as a means of communication between the home and school. There are many preschool policies and procedures discussed in the handbook. Please read the information and refer to it to answer questions you may have throughout the year.

We hope the handbook will be helpful in providing you with important information about our program. If you have further questions, please contact the preschool at 244-0054.

Please sign the attached forms and send them back to preschool in your child's tote bag.

Sincerely,

Elizabeth Bodine
