We Need Your Help...

The Support Service Committee would like to replace the old, drafty windows in the fellowship hall and kitchen with new energy efficient windows. The existing windows are almost 60 years old and really need to be replaced. New windows will pay for themselves in energy savings but it will take several years.

Now the hard part: there are 21 windows and the cost is \$575 each. You probably realize that we don't have that kind of money in our operating budget, so we are asking you to consider sponsoring 1 window or half a window or whatever you feel that you can afford. The Session and Support Service Committee have already committed to several windows but we need your help if we are going to be able to complete this project.

After the 9:00 a.m. service Mike Stevens will be in the narthex to answer any questions that you may have. 11:00 service Larry Ogle and Tom Dawson will be available. Just let us know if you are willing and able to support this project. Without your support it won't get done.

Leadership Day

As exciting new learning and growing ministries begin at Trinity, is God stirring you to get involved? One new thing taking place is the start of a few small study groups! More details are soon to follow.

On May 7th, after worship, the Christian Education Committee is hosting a "leadership day" to encourage and equip those who already teach or lead, as well as those whom God may be calling to join us in this essential and exciting ministry. Please prayerfully consider attending this gathering. Lunch will be provided.

If you have any questions, please feel free to contact Janice Kim (jkim@presbypub.com), Andy Cannava (awcannava@gmail.com), or Pastor Steve (stevejewell356@gmail.com).
