

MONTHLY LUNCH BUNCH

The preschool is offering the Lunch Bunch program from 12-2:30 p.m. The children love these special days. They like bringing their lunch and eating with their friends. Please send your child a nutritional lunch and a blanket. Carpool will begin at 2:20 p.m. and everyone should be picked up no later than 2:30 p.m.

Please check your schedule carefully before signing up. Frequently, the children want to go home with their parents after classroom field trips or events. Check the days below you want your child to attend and attach your payment. **You must return this form by Aug. 29th for \$12 per day.** Any child that registers after Aug. 29th will pay a drop-in fee of **\$15** per day. Staffing for this program is determined by the number of children participating. Therefore, no refunds or credits will be given in the event your child is unable to participate.

**** To cover the cost of staffing this program, we must have a minimum of four children participating on a daily basis. The preschool reserves the right to cancel a scheduled day if there are not enough students participating.**
