Shepherding the Flock

“Be shepherds of God’s flock that is under your care...”

(1 Peter 5:2)

Love As You Are Loved

The one feature Jesus said would distinguish His people from all others is the way they love one another. (See John 13:35 below). The love Jesus had in mind was the way His disciples would care for, comfort, correct, and commit their lives to one another. By freely and fully giving themselves to one another, they identified themselves with and embodied that perfect sacrificial love Christ has for them.

This is no less true for every one who confesses the name of Jesus today. If we are members of the body of Christ, then we have a responsibility to love the body of Christ. And by so loving one another, we will show the world the amazing love God has for them in Christ.

Mini-Flocks Ministry

So, how do we love one another like this? A new process we have in place at Trinity Presbyterian Church is called the “Mini-Flocks Ministry”. Under this initiative, every member and regular worshipper within the Trinity family

is placed under the shepherding care of one of our nine elders. Your elder shepherd commits to pray for you regularly, to check in with you from time to time to encourage you, and to care for you as a fellow follower of Christ. In this way, we hope to be a fellowship of believers who lives out the instructions of Galatians 6:2: *"Carry each other's burdens, and in this way you will fulfill the law of Christ."*

Spreading the Love of Christ

The shepherding ministry of mini-flocks is yet another way we can live out our three-fold commitment as God's people in which we: Love God, Grow Together, and Serve the World. And what better way to spread the love of Christ among our neighbors and the nations then by embodying such love with one another.

"By this all people will know that you are my disciples, if you love one another."

John 13:35

Look for your mini-flock shepherd to be in touch with you soon!
