Dear Parent/Guardian,

The Parent Handbook is utilized as a means of communication between the home and school. There are many preschool policies and procedures discussed in the handbook. We hope the handbook will be helpful in providing you with important information about our program. If you have further questions, please contact the preschool at (502) 244-0054.

I received and read the 2021 - 2022 Parent Handbook for Trinity Presbyterian Preschool.
