KOINONIA CLASS

In the coming weeks Koinonia will conclude its extensive study of Church History and will begin a course on New Testament Introduction. This will be based around an online course from Yale University and will focus on the history and literature of the books of the New Testament. We will provide supplemental material and gladly seek to answer questions. The gatherings will be in a hybrid format using Zoom access as well as in-person settings in the Parlor. If you are not in an adult class at the present time, feel free to join us. Contact the Rev. Bob Williams-Neal for more information. (Note: if this class does not “scratch your itch” feel free to explore starting one that does!)
