Presbyterian Disaster Assistance

Presbyterian Disaster Assistance (PDA) urges your support this hurricane season. In the wake of catastrophic impacts from Hurricane Ian, recovery is ongoing in places hit by Hurricane Fiona, including Puerto Rico, the Dominican Republic and Cuba. Storms are becoming more frequent and more severe, and this early in the hurricane season we must prepare for these broad and anticipated catastrophes that have not yet formed. Give today to enable our response, from emergency needs through the long-term recovery phase.
